भारत के प्रत्येक नागरिक का यह कर्त्तव्य होगा कि वह (e)

भारत के सभी लोगों में समरसता और भाईचारे की भावना का निर्माण करे जो धर्म पर आधारित सभी भेदभाव से परे हो।
51A(e) Fundamental Duty
To promote harmony and the spirit of common brotherhood amongst all the people of India transcending religious diversities.
तो हमारे देश में यह क्या हो रहा है?
During late 2014 and early 2015 with attacks on Christians churches continuing and extreme rights groups going ahead with their ‘ghar wapsi’ agenda in India,

PM Narendra Modi had said that he would not allow any religious group belonging to majority or minority to incite hatred against others overtly or covertly and his government will strongly act against any religious violence as it gives equal respect to all religions.

He had added “My government will ensure that there is complete freedom of faith and that everyone has the undeniable right to retain or adopt the religion of his or her choice without coercion or undue influence”.

"I have said this before and I say it again: any discrimination or violence against any community will not be tolerated," the prime minister had said in the interview held on the occasion of his government's one year in office
A day before the current monsoon session of Parliament began, at an all-party meeting, Prime Minister Narendra Modi asked the state governments to sternly deal with those who incite violence in the garb of protecting cows.

“People must know that there is a law to protect the cow and the violation of law is not an alternative. It has an impact on the image of the nation. State governments must deal sternly against such anti-social elements,” he said.
The government can launch air borne armed task forces to keep vigil on whole of India through satellite reconnaissance and be in a state of readiness to quickly descend wherever a crowd of cow vigilantes gather.
Also the Govt should try to provide proper self-employment to these ‘at-a-loose-end’ young boys rather than leaving them unmonitored to deflect into vandalizing in the name of cow protection.
Such unchecked mob mayhem seems to have perverted the social ethos where it changes the citizen’s psychology prompting him to do so on any pretext.

Delhi professor Ashwani Kumar was punched and slapped by his student Pardeep Phogat after the teacher refused to pass him in the internal examination.

Pradeep was arrested and then released on bail the same day.
CBSE question paper for IIT-JEE entrance examination which is known to be very tough was, somehow, solved in half of the given time with 100% accuracy by Oxford student Jackson Fraser.

After Fraser innocently shared this on well known social portal Quora, he and his mother received worst abuses from Indian surfers.

Is this our nationalism?

As a proud Indian I bow my head in shame and on behalf of whole of my India I deeply apologize to Fraser and his Mom.

Politics is the art of gaining power & the craft of retaining it.
Don't give religious color to political tug of war
Where are we taking India to … ?

for short term political gain for 10-15-20 years
Vitiating the social fabric = 10-15 years of rulership = 200 years of lack of peace. Hence, retarded development.
